SPRING summer 2024

Bloomingville MINI presents a cute collection for the little ones in the family – a **PLAYFUL** collection of **AESTHETIC** interior and toys in a **TIMELESS** design. Colors and patterns are characteristic of the collection, just as cute illustrations provide the **COZY** expression which we love to fit into a **NORDIC** decor.

We already know the five words defining Bloomingville MINI: **NORDIC, PLAYFUL, COZY, AESTHETIC & TIMELESS**. Come along as we get to the heart of why the words are so important to all Bloomingville MINI designs as we welcome you into our universe.

Bloomingville MINI is designed for children and their homes – we look forward to sharing it with you.

Simplicity in shapes and colors characterizes **NORDIC** design. Bloomingville MINI is a Nordic brand, but by adding a playful and cozy expression to our cute designs, we fulfill the essence of Bloomingville MINI: a playful approach merging the Nordic with the cozy.

Being **PLAYFUL** is the essence of childhood: it's the laughter during a game, the imagination that turns a blanket into a fortress, and the curiosity that makes every day an adventure. The Bloomingville MINI universe is full of cute characters and delightful details that spark joy and imagination every day.

Just as memories stay in our hearts, we strive for **TIMELESS** design that remains cherished over time. Imagine a toy or piece of decor passed down from one generation to the next, its charm never fading, its purpose ever relevant. These items evoke feelings of nostalgia and warmth, becoming part of treasured childhood memories.
