GOOD LIFE STORIES 2023

LEONARDO

## **Welcome to Leonardo.**

Our mission is to inspire you and the end consumer every day anew. Our focus is clearly on making every home even more beautiful.

To achieve this, we travel all over the world, collect inspirations and ideas, look for new techniques and let ourselves be inspired by new materials.

In summary, this always results in new stories made of glass, which make people's lives even more beautiful with a lot of know-how, heart and passion.

Discover our new collections now.

**Sincerely yours,**

*Bianca & Oliver Kleine*

## The new digital Leonardo catalogue.

Browse through our new digital catalogue at your leisure or go specifically to the series and products you are looking for.

The digital catalogue guides you to topics and products with easy navigation. You can download images of the new products directly or open and print out matching POS material.

Would you like to order via our B2B platform? No problem - just click directly on the corresponding button.

If you have any questions, requests or suggestions, our customer service will be happy to help.

Here you will find a selection of photos of the respective collection.

This symbol indicates POS or information material that you can easily download and print out.

Click this button to go directly to our B2B platform.

For more information about the products/series, please download the detailed product information sheet.

Quick and easy back to the table of contents.

# QUALITIES

## TEQTON - QUALITY YOU CAN CLEARLY SEE

Our patented glass formula ensures a long life! Increased breaking strength and resistance. The glass is well protected, especially when subjected to heavy use, and its long-lasting shine is convincing.

TEQTON® glass is extremely impact resistant, stable and has a scratch-resistant surface. The colour neutrality of the crystal glass ensures an unaltered reproduction and authenticity of the beverage colour.

dishwasher-safe | shockproof | crystal clear

## COLORI - OUR COLOUR IS DISHWATERSAFE

High quality, modern, durable, lightfast hydro lacquer, developed specially for tableware applications. Lacquers developed and produced exclusively in Germany. High resistance in everyday use.

## HANDMADE - CONCEIVED IN THE HEART, MADE BY HAND

Unique. Products with personality - this logo is fixed to all products that are specifically made by a manual process. Works of art in typical Leonardo quality.
